****Today we are celebrating the Sacrament of the Lord's Supper. Communion is a sacrament which Christ has given to his Church for the blessing of his Church, and thus all who are baptized, communicant members in good standing in any evangelical church are welcome to participate. Evangelical means that the church believes and teaches that salvation is by grace alone through faith alone in Jesus Christ alone, and not by works or sacraments. If you are not trusting in Jesus Christ alone for your salvation or have not yet joined yourself to his Church, we ask you to pass the elements, with the hope that one day soon you will be able to share in this celebration with us.****
